January 20, 2010

Independent Drugstore Owners, Employee Pharmacists & Pharmacy Technicians,

AIDA is excited to announce a new and innovative format for the association's meetings in 2010. To better serve, and meet the needs of independent pharmacy AIDA will replace the traditional 9 District Meetings and Annual Convention & Trade Show with four (4) Regional Meetings. The Regional Meetings can be best described as "mini conventions". The current economy dictates change from each of us, and the most important change we can make as your association is develop programs that offer the maximum continuing education hours possible at a one day event, ensure quality programs, include exhibitors displaying new services and products, and offer all of this at a location near you.

The four Regional Meetings will be offered in Montgomery, Mobile, Birmingham and Huntsville. The tentative schedule is enclosed for your information and review. Each meeting will include an Exhibit Hall for all attendees to enjoy, 7.0 General CE Hours for Pharmacists (6.0 of those CE will also be approved for Consultant Hours), and 5.0 CE Hours for Pharmacy Technicians. There will also be a continental breakfast, lunch, and appropriate breaks with refreshments.

Regional meetings with this schedule will provide an opportunity for those owners, employee pharmacists and pharmacy technicians to attend, that typically do not get to travel to Annual Conventions and Trade Shows due the time it requires them to be out of their drug stores.

We would like to invite and encourage you to make plans now to attend. There will be designated time for attendees to visit with our Exhibitors. As always, our exhibitors will be an important part of this meeting, and their participation makes it possible for us to provide you with quality programs and events.

We are pleased to offer this new meeting concept that will allow you to drive a short distance to obtain quality continuing education programs, share ideas with your colleagues and see new and innovative products and services. When registering, you will select the meeting you will attend.

Sharon T. Taylor
Executive Director

ALABAMA INDEPENDENT DRUGSTORE ASSOCIATION
